1996 Hilltop Dedication

Jennie Cernosia

The Class of Nineteen Hundred and Ninety Six is a class that has been very involved in the Saint Michael's Campus Community. In many different ways we are a class that thrives on activity and achievement. We have each set goals for ourselves, most of which are well on their way to being achieved. There is one person on the Saint Michael's campus that has helped ease that process for many of us, her name is Jennie Cernosia. Through her countless hours of dedicated service as Director of Student Activities she has allowed us to feel the benefits of our achievements and to realize that we really can do it! Her compassion and sincerity makes Jennie a woman who is very dear to our hearts. It is for all these reasons that we dedicate the 1996 edition of the Hilltop to Jennie Cernosia.

President Paul J. Reiss

We would like to take the time to thank President Paul J. Reiss for his eleven years of selfless service to Saint Michael's College. Under his leadership Saint Michael's has grown in both physical size and in stature to become the place we called home for four years. As President Reiss retires we would like him to know that his dedication to Saint Michael's has been greatly appreciated. We wish the Reiss family only the best in the future. Their presence here will surely be missed.

The Art of Teaching...

"To teach
is to touch a life forever."

"The mediocre teacher tells,
The good teacher demonstrates,
The great teacher inspires."

-William Arthur Ward

"We must view young people
not as empty bottles to be filled,
but as candles to be lit."

-Robert H. Schaffer

"The aim of education should be
to teach the child how to think,
not what to think."

-John Dewey

“So no one told you life was gonna be this way...your job’s a joke, your broke, your love life’s DOA...It’s like your always stuck in second gear, cause it hasn’t been your day, your week, your month or even your year but, I’ll be there for you”

We **ARE** the
children of the
EIGHTIES...

we are not the
first “lost gen-
eration” nor
today’s lost
generation; in
fact, we think
we know just
where we stand
or are discover-
ing it as we
speak.

The Class of 1996

We are the ones who played with Lego Building Blocks when they were just building blocks and gave Malibu Barbie crewcuts with safety scissors that never really cut.

We collected Garbage Pail Kids, Cabbage Patch Kids, My Little Ponies and Hot Wheels...

He-Man and She-Ra looked just a little like we would when we grew up. Big Wheels and bicycles with streamers were the way to go, and sidewalk chalk was all you needed to build a city. Imagination was the key.

It made the Ewok
Treehouse big
enough for you to be
Luke, and the kitchen
table with an old
sheet dark enough to
be a tent in the forest.

Your world was the backyard and it was all you needed. With your pink portable tape player, Debbie Gibson sang back-up to you and everyone wanted a skirt like the

Material Girl and a glove like Michael Jackson.
Today we sing along with Springsteen and the
Bangles and have no idea why.

We recite lines with the Ghostbusters and still look at the Goonies for a great adventure We flip through T.V. stations and stop at The A Team and Knight Rider and Fame and laugh with The Cosby Show and Family Ties and Punky Brewster and what you talkin' 'bout Willis? We hold strong affection for the Muppets and The Gummy Bears and why did

they take the Smurfs off the air? After school specials were only about cigarettes and step-families, the Pokka Dot Door was nothing like Barney and aren't the Power Rangers just Voltron reincarnated? We are the ones who still read Nancy Drew and the Hardy Boys, the Bobbsey Twins, Beverly Cleary and Judy Blume, Richard Scary and the Electric Company.

Friendship Bracelets were ties you couldn't break and friendship pins went on shoes, preferably hightop velcro Reebok, and pegged jeans were

in, as were unit belts and layered socks and jean jackets and jams and charm necklaces and side pony tails

and just tails. Rave was a girls best friend;

braces with colored rubberbands made you cool.

The back-
always open
served only
Aid to the
hood kids,

door was
and Mom
red Kool-
neighbor-
never
Coke.

Entertain-
cheap and
hours. All
ed to be a
was high
an apron;

ment was
lasted for
you need-
princess
heels and
the Sit 'n'

Spin always made you dizzy but never made
you stop; Pogoballs were dangerous weapons
and Chinese Jump Ropes never failed to trip
someone.

In your underoos you were Wonder Woman or Spider Man or R2D2 and in your tree house you were King. In the eighties nothing was wrong. Did

you know that the President was shot? Star Wars was not only a movie. Did you ever play in a bomb shelter? Did you see

the Challenger explode or feed a homeless man? We forgot Vietnam and watched Tianaman's Square on CNN and bought

pieces of the Berlin Wall at the store. AIDS was not the number one killer in the United States.

In the eighties, we redefined the American Dream, and those years defined us. We are the generation in between strife and facing strife and we are not turning our backs.

The eighties may have made us idealistic, but it is that idealism that will push us and be passed on to our children - the first children of the twenty-first century. Never forget:

LOVE
WHO'S IN CHARGE—

*After a while you learn
The subtle difference between
holding a hand and chaining a soul.
And you learn that love doesn't mean
leaning
and company doesn't always mean
security.*

*And you begin to learn
that kisses aren't contracts and
presents aren't promises
and you begin to accept your defeats
with your head up high and your
eyes ahead*

*with the grace of a woman
not the grief of a child
and you learn...
to build all your roads on today
because tomorrow's ground is
too uncertain for plans
and futures have a way
of falling down in mid-flight.*

*After a while you learn
that even sunshine burns
if you get too much
so you plant your own garden
and decorate your own soul
instead of waiting
for someone to bring you flow-
ers.*

*And you learn that you really can
endure*

*that you really are strong
and you really do have worth
and you learn and you learn
with every goodbye
you learn.*

ORIENTATION

■ ■ ■ ■ 1992 ■ ■ ■ ■

SENIORS...

do you remember Knight Guard? Those bright orange shirts and annoying whistles. Being scared that you would never have friends like the ones you had at home. Those annoying whistles. Feeling a pit in your stomach as your parents drove away. Those annoying whistles. Think of how far we have come since our first days at SMC. Remember how much fun it was getting there?

KNIGHT GUARD

1995

Special K, this year's Orientation theme, was one which brought out the cereal lover in all of us. Leaders and first year students got to know one another and the Saint Michael's community a little better that weekend. The traditional tears were shed, but they were all overcome by laughter and smiles.

Special K

Alumni Weekend

Homecoming weekend 1995 was filled with fun for all ages. The Alumni association sponsored hayrides as well as facepainting for all ages, and the Purple Knight Mascot could be seen at any alumni game, from Lacrosse to Rugby.

Halloween '95

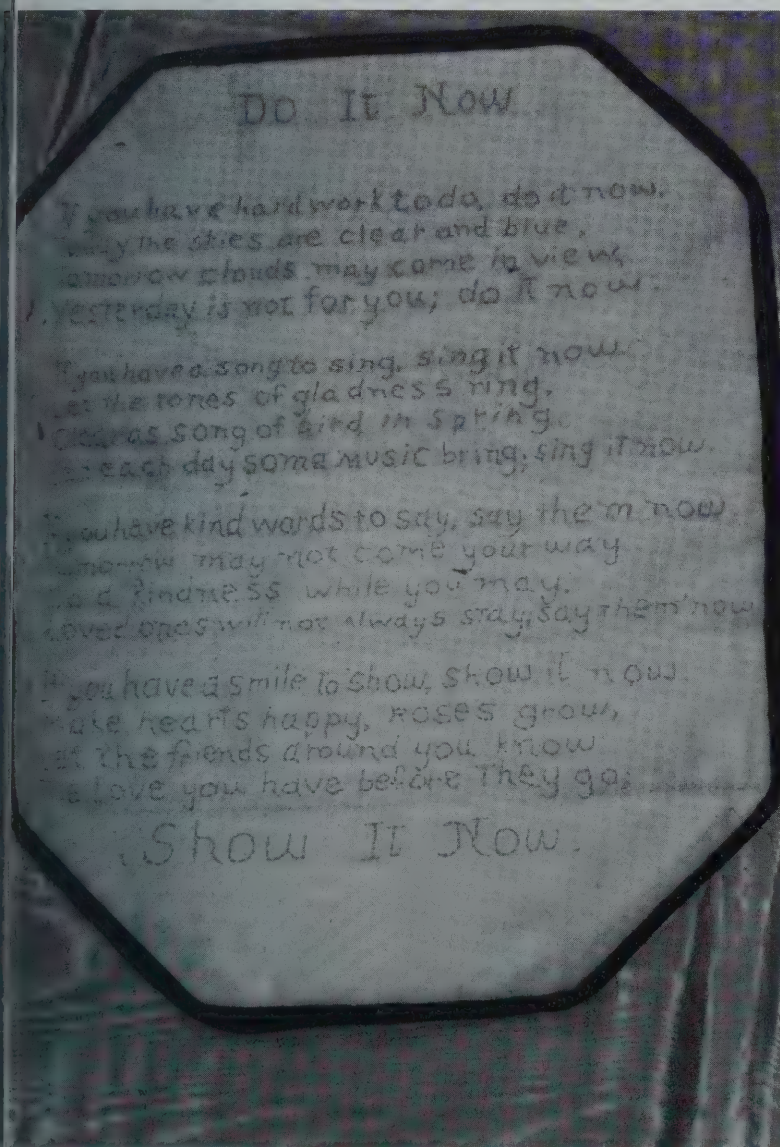

October 31, 1995 saw Saint Michael's College pretty quiet. The real party was on the 30th when the campus rocked at the Halloween dance in Alliot student center. We saw it all from the Harlem Globetrotters to Charlie's Angels and everything in between. We danced to the tunes of Elvis and the New Kids and had a blast.

Saint Michael's College welcomed the AIDS memorial Quilt to the Tarrant Recreation Center this year in a week long celebration of World AIDS Day. The Names Project was a moving experience for the students and faculty as well as for the local community. The ceremonies began with a Community Interfaith Service at the Chapel where Jeanie White, the mother of youth AIDS activist Ryan White, gave a very moving speech. She reminded all who attended to always let loved ones know how much you care; you never know when it will be your last chance.

The unfolding of the quilt itself was breathtaking. It gave testament to the more than 31,000 people who have died from AIDS. Roughly 7500 people from all walks of life viewed the quilt while on display. Stories were shared, tears were shed and all were left changed forever.

What was your impression of the AIDS Memorial Quilt?

"The Aids Memorial Quilt was a very moving experience. It touched my heart and forced me to see the reality of the disease."

"It was sad and overwhelming"

"An eye opening experience"

"It brought AIDS closer to home; you could realize the enormity of the disease"

"It was very powerful because you were surrounded by the pannels. It made AIDS more real."

"Unbelieveable"

"It was extremley emotional and powerful"

"It was an excellent tribute to those who have died from AIDS. Sad but at the same time a living legacy"

Project Rememberance

December 7, 1995

Christmas Semi- Formal

On that cold and windy Thursday night in December we danced the night away in the beautiful ballroom of the Radisson Hotel. Saint Mike's favorite DJ Craig Mitchell played our favorite songs as we wine and dined. This memorable evening was one of friendship and fun for all.

“Today”

*Everyday is precious
And whatever you do
Make the most of each minute
It's God's gift to you*

*Yesterday has come and gone
Who knows about tomorrow?
Live, Learn, Love today.
Time you can not borrow.*

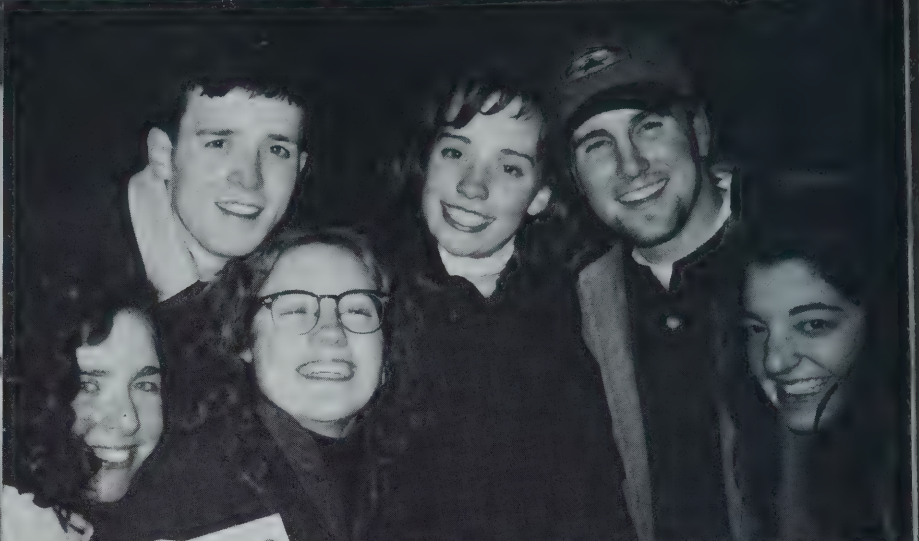

*Memories of what we've done
Do help along the way;
But what really counts for us
Is what we do today.*

*Love makes the world go round.
Be loving, kind and true.
Take pride in all your actions
and thank God for being you.*

~ Joan Landroche

Mischievous monkeys

Surrender to your

Activities

Clubs and Campus
Organizations

Student Association

The Student Association is the governing voice of the student body. The S.A. is the backbone of most clubs and activities that happen on campus. The S.A. is an organization run by the students for the students. There are 35 clubs and organizations in the S.A. ranging from Men's and Women's Rugby Club to The Defender. The S.A. had a budget this year of over \$230,000. The money goes to all of the clubs.

The S.A. is held in high regard not only by the Saint Michael's community but also by the local community. Recently . . . We ran social programs that are open to the

S.A. Executive Board

public i.e. AIDS Memorial Quilt. The S.A. brings to campus big name bands. In the last couple of years we have had Blues Travelers and in previous years bands such as the Samples and Phish have played on the Ross Sports Center stage. We also give a substantial part of our program to our M.O.V.E. (Community service) program.

Courtney Ryan

Peace and Justice

Peace and Justice is an organization of political and social misfits who try to educate and promote political awareness on an apathetic campus. We organize speakers, write ins, and general brain washing of leftist politics. Many of the issues addressed by Peace and Justice this year have been nonviolence, Republican cuts to the greater of humanity, and issues of sexuality and gender. Though the Peace and Justice budget was cut dramatically, we were still able to have a huge pig roast at the end of the year!

Peter Wefers

Bacchus

Bacchus (Boosting Alcohol Consciousness Concerning the Health of University Students) is a group which promotes alcohol awareness and re-

sponsible drinking on campus. We sponsor fun non-alcoholic events to give an alternative to drinking.

Becky Patelle

The campus volunteer program MOVE (Mobilization of Volunteer Efforts) provides college students with opportunity to learn, participate, and have fun through community involvement.

M.O.V.E.

MOVE coordinates 13 programs including O.V.E. or Outdoor Volunteer Efforts, Senior Citizens and Little Brother/Little Sister. MOVE offers extended service trips to sites across North, South, and Central America to repair homes, talk with children, and to provide awareness of global problems. MOVE allows student volunteers and those in need to come together as equals, contributing their time, talents, and energy to the enrichment of our communities.

Fire and Rescue

The St. Michael's Fire & Rescue Squad has been a fully functional fire protection and emergency medical care service unit for over 25 years now. Twenty five years ago a student athlete's life could have been saved had there been quick, emergency medical care and transportation. Concerned students united with the assistance of the former Security

Director, Don Sutton. A maintenance vehicle was provided for the students to be used as an ambulance and thus began what we know as the rescue unit in 1969.

Primary care is provided by St. Michael's Rescue to the St. Michael's College community, the city of Winooski, The towns of Williston, St. George, Hinesburg and Colchester as well as 20 miles off I-89. The squad consists 20 active student members and 10 alumni members. The squad responds to 1500 per year which may include respiratory and cardiac emergencies, traumatic emergencies, car accidents, inter-hospital transports and any others. All members are medically trained and become licensed under the State of Vermont.

The Fire Squad was formed a few months after the Rescue Squad in 1970. It too, consisted of students. It was originally formed as a fire protection company for the St. Michael's College community and Fort Ethan Allen, but now has expanded to include a response area covering the town of Colchester and Mutual Aid to surrounding towns.

Over ten years ago Colchester Center Volunteer Fire Co. (CCVFC) to SMFD under its wing and made it a sub station of the CCVFC. As a substation of CCVFC, SMFD was expected to respond to all calls CCVFC went to. This agreement is still in use.

With the dedication of both squads from the men and women that are a part of it, St. Michael's Fire & Rescue has become a well respected organization not only by the college community, but also of all Chittenden County.

STAT

Students Today, Alumni Tomorrow (STAT) is the student alumni association at Saint Michael's. STAT is a student organization committed to making the College at large aware of the Alumni Association as well as to encourage students to participate in educational and social functions involving the College and the Alumni Association. STAT strives to develop within the student body an awareness of the significance of the undergraduate as a member of the Saint Michael's legacy. Additionally, STAT helps to cultivate leadership, interest, and enthusiasm for future generations of alumni.

During the 1995-96 academic year, STAT members worked in conjunction with the Alumni Office, MOVE, and the Student Life Office Staff during events such as Homecoming '95, Winooski Recreation activities, and Friday Night Dry. During Homecoming '95, STAT sponsored a Senior Networking Luncheon as a kickoff to the weekend. STAT members also volunteered their time at Project Remembrance in November and sponsored a Christmas Tree Lighting in December.

Alliot Governing Board

Alliot Governing Board draws people to Alliot for different things. AGB is responsible for bringing a variety of diverse vendors to school to make shopping possible without having to leave campus. AGB also provides mid-week study snacks to help alleviate some of the stress that accompanies classes.

Betsy Spencer

Math Club

The Math Club, open to anyone who's interested in math and it's applications, aims to bring math out of the classroom and into the real world through career-oriented and recreational activities. Activities include listening to speakers on math topics in industry and the job market of today. Also, attendance at various math expositions in New England is a favorite activity because it exposes the student to a wider variety of people and topics in mathematics. Finally, through meetings during the school year that involve games, films, competitions, and just having a good time, students who enjoy mathematics can get together with other Saint Michael's students and faculty with similar interests and share their thoughts.

The Defender

The Defender is the campus newspaper of St. Michael's College, written and produced by its students. *The Defender's* staff changes every semester; this year marked the most experienced staff ever. By May, 1996, over half of our staff had worked as editors for over a year.

The 1995-1996 academic year was a busy one; some of the stories highlighted in the newspaper included coverage of the NAMES Project Memorial Quilt, the men's basketball team's success in the ECAC championship, and the "Composing a Life" semester-long celebration of the accomplishments of American women.

As usual, *The Defender* staff witnessed countless sleepless nights in the lab in Bergeron. Because of the amount of time put into the production of the newspaper, the experience turned co-workers into a close group of friends.

The Defender operated according to the following mission statement:

Appreciating the diversity of the St. Michael's community in terms of age, ethnicity, gender, religion, and sexual orientation, *The Defender* will report on issues affecting all groups represented in our college. The aim of the staff is to create a forum for ideas by including all of the news of St. Michael's College as well as national issues that affect our community. We will not only cover events, but will make it our mission to report on underlying issues through initiative reporting.

Because *The Defender* is a weekly newspaper, we will report on such, with in-depth stories and artistic layout. It is our duty to both inform and entertain our readers.

Diversity Coalition Special Events

The mission of Diversity Coalition is to encourage open dialogue, educational development, and the celebration of diversity of all cultures and experiences. Through such means it is possible to break down the barriers founded by ignorance, fear, and homogeneity.

To this end, the Diversity Coalition networks with other student organizations to address a variety of issues designed to foster a sense of global consciousness.

Jermey St. Marie

The Special Events committee is an outlet for student social activities. We are in charge of putting together activities such as concerts, P-day, The Welcome Back Bash, various theme dances and comedy routines. We also work closely with class presidents and the secretary of programming. We annually attend the NACA conference, where special events chairpersons from colleges nationwide attend. Students don't always realize the the time, hard work, and effort that Matt Milano and myself have put into these activities. It takes a lot of patience and determination.

Paul Griffin

Chorale

Directed by Dr. Tortolano, the Saint Michael's College Chorale performed several times this year singing music ranging from the Messiah to Scott Joplin and Gregorian Chant. The chorale worked hard to perform a joint Christmas concert with the University of Vermont as well as a solo concert in Newport, VT., a weekend tour in Ottawa, Canada, and its annual Family Weekend Concert. Other highlights included singing at the Martin Luther King Jr. Day Convocation and for Black History Month.

Kristin Spurr

St. Michael's Coffee House is a student-run program of mostly musical entertainment, providing coffee and other beverages, sometimes snacks. It is normally held on Wednesdays and some Fridays in Alliot Lobby, the Rathskellar, or other appropriate venues. Many of the artists that perform at Coffeehouse are regional favorites and sometimes campus bands. Some artists have a message which make them an appropriate event to co-sponsor with other campus organizations like Peace &

Justice, Diversity Coalition, or the Ally Group. It is a good, mid-week stress reliever and an excellent alternative to drinking on campus. Coffee House had a superb attendance record this year, one of the best in its history, thanks to hard work and student interest.

Yearbook

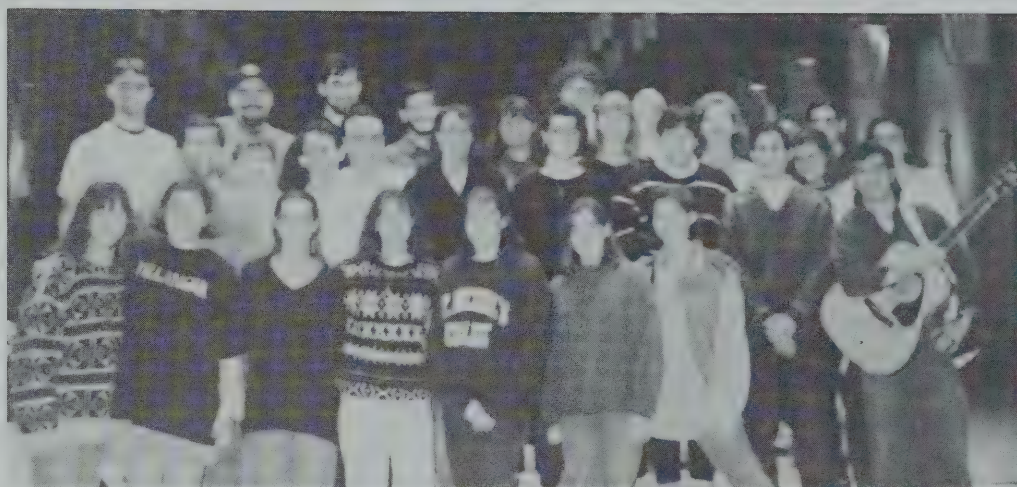

The 1996 Hilltop saw many changes this year. Not only were the layouts done by computer, but there were actually more than three people working to create this book. As a staff we aimed to represent Saint Michael's College through the events of the past year. Not only are social events covered, but community events such as the AIDS Memorial Quilt. Focused mainly on the events of the senior class, the yearbook hopes to display a wide range of people while holding no bias. Without the hard work and dedication of the staff, the yearbook would not have been what you see. Thanks to Sports Editor Tabitha Cleary, Senior section coordinator Meri Fulchino, Ad Manager Kim Ross and the rest of the dedicated staff: Sophie Williams, Karyn Lacey, Amy Silvia, Steve Sabbetta and Sue Aiken. Of course the yearbook would have had a hard time getting started if not for the help of those seniors who contributed candid pictures. Thank You especially to Jennie Cernosia and Mark Saks (Jostens representative). I wish future yearbook staffs the best of luck...KEEP IT GOING!

Liturgical Choir

The Liturgical Choir is a volunteer group of talented musicians and singers whose ministry has enlivened the celebration of the Mass at St. Mike's. Participation is open to anyone who has a desire to use music as a form of prayer and praise.

This year the Choir released an tape, "Let Us Sing To The Lord," featuring 45 minutes of original songs written by the group's director Jerome Monachino. Week-

end retreats and service trips help to keep the focus on ministry-

sharing the Gospel with others by sharing our music with others. A truly unique group, the Liturgical Choir is known for its beautiful musicality which has enhanced the spiritual life of many on this campus.

Mark Ward

Strabotomy

1996 saw St. Michael's alternative publication, Strabotomy, celebrate its second year in circulation. Although both the content and design of the magazine changed under the 1995-96 editors, the mission remained the same: to provide the community with an alternative voice on a range of issues and topics. Hopefully, others will work to preserve this mission in years to come.

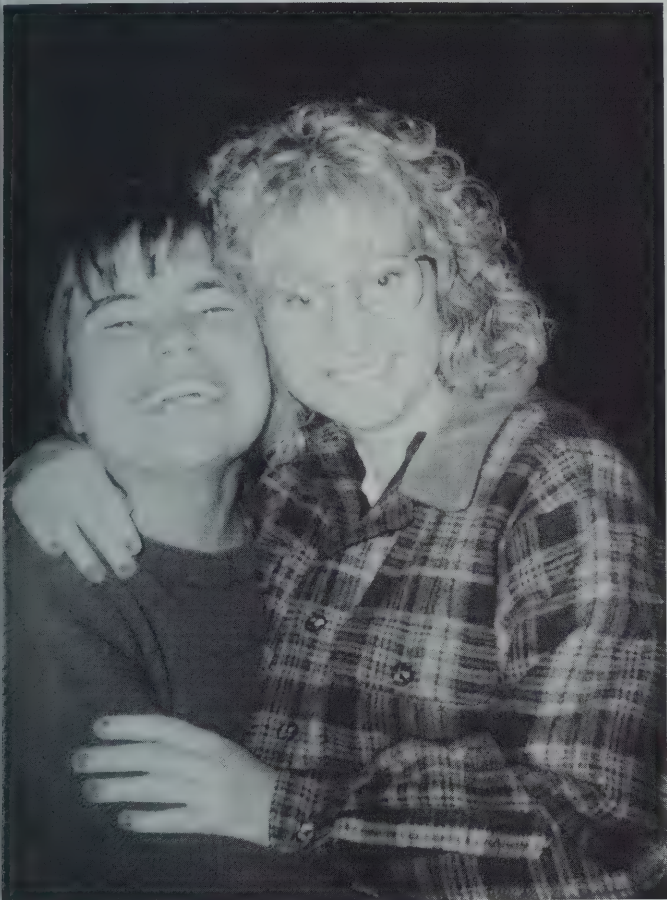

To the class of 1996, may there always be something or someone that helps you to see things a little more clearly.

“It is not the critic who counts, not the man who points out how the strong man stumbled, or where the doer of deeds could have done them better. The credit belongs to the man who is actually in the arena; whose face is marred by dust and sweat and blood; who strives valiantly; who errs and comes short again and again; who knows the great enthusiasms, the great devotions, and spends himself in a worthy cause; who, at the best, knows in the end the triumph of high achievement; and who, at the worst, if he fails, at least fails while daring greatly, so that his place shall never be with those cold and timid souls who know neither victory nor defeat.”

Women's Soccer

The women's soccer team began their season in its traditional manner-5:00 a.m. practices and their friend, the hill. High hopes, enthusiasm, and determination quickly became the core of the team, as they worked towards a winning season.

Led by only three seniors-midfielder Sarah Jordan; fullback Jen Ferland; and goalkeeper Robin Lyness, who set a school record with 230 saves, the young team struggled to contend with the more experienced teams in the NE-10.

Alhtough they were faced with numerous set-backs, including countless injuries, the team never backed down. Their "never-give-up" attitudes proved to be successful in the final weeks of their season, when they beat Johnson State and Bryant.

Despite their record, the team continued to fight at times when other teams may have given up. They kept their minds and their hearts focused on team work and a winning attitude, which will prove to be the foundation of a stronger contending team next year.

Good luck to the team, and don't forget: "If you keep your hearts and your minds going in the right direction, you won't have to worry about your feet!"

MEN'S SOCCER

The 1995 men's soccer team had an up and down year. The team finished the season with a 4-12-2 record. Some crucial victories advanced the men's soccer team to the NE-10 post

season tournament for the first time in five years. The team was

led by its senior tri-

captains goalie Skip

Garland, midfielder

Jay Pedone, and for-

ward Dave Antonioli.

Antonioli ended his

brilliant career after

breaking the SMC

leading scorer mark.

Garland and Pedone

also put in outstanding

efforts with All-Conference performances. Despite the loss of senior leadership, coach Les Johnson looks to have a promising season in 1996.

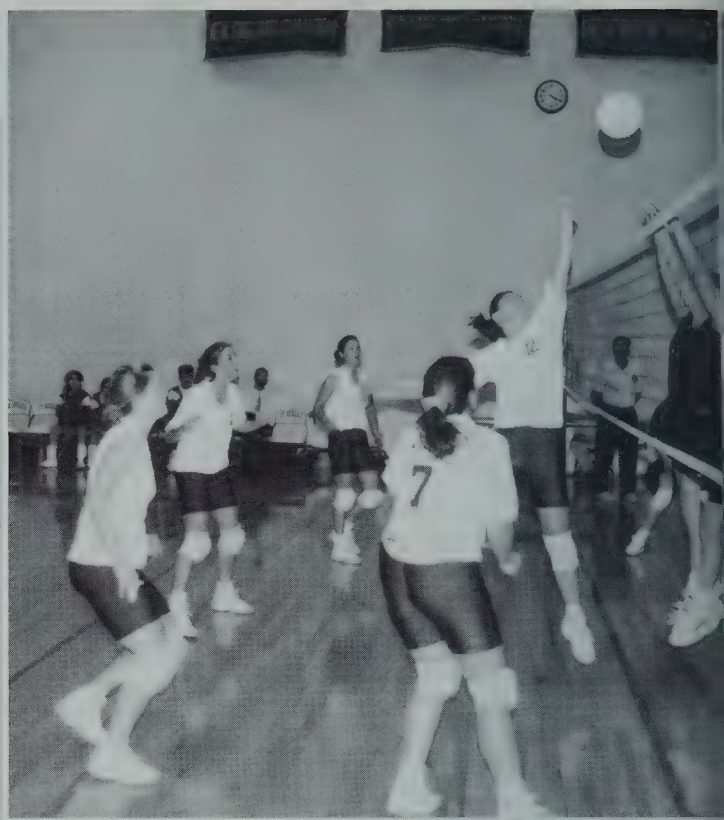

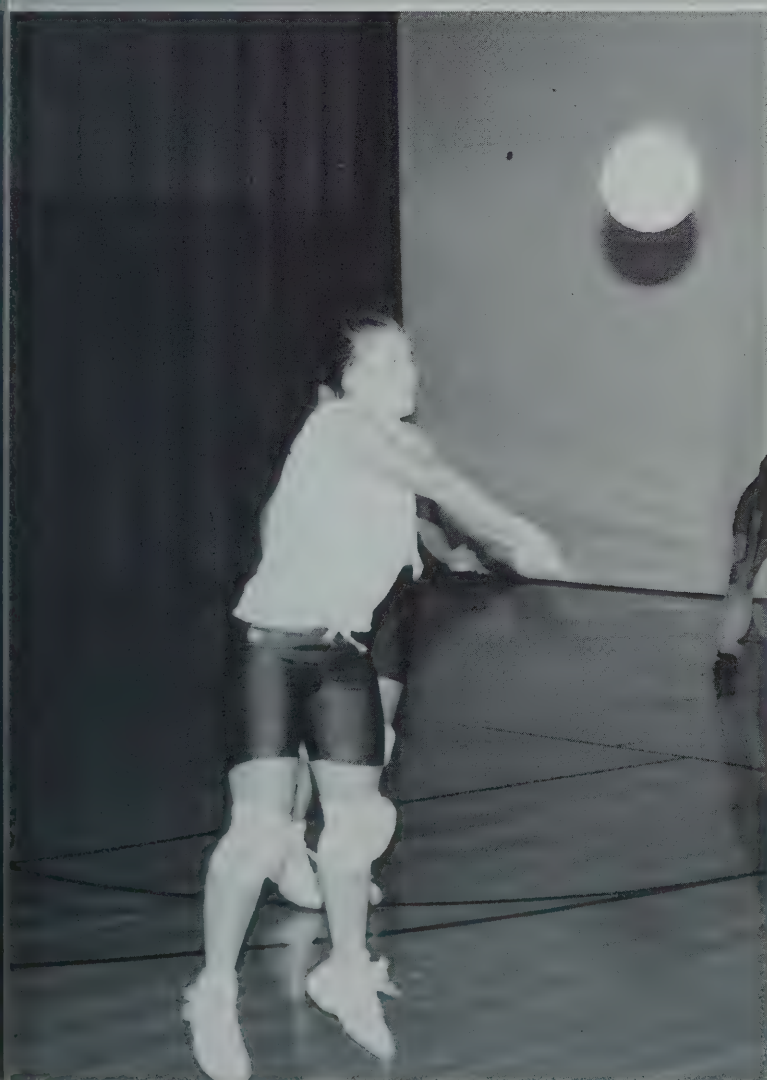

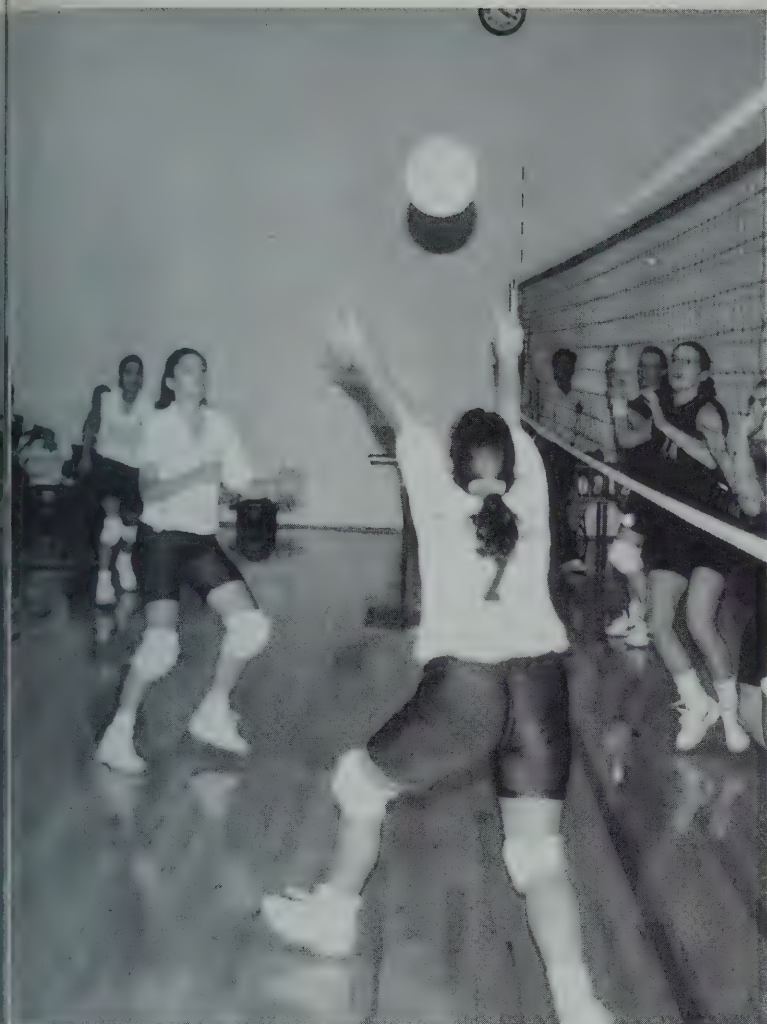

Women's Volleyball

Despite several obstacles, the 1995 SMC volleyball team managed a 13-14 season and some impressive play. The team won their

Invitational Tournament and placed in both the Springfield College and Quinnipiac College Tournaments. Carleen Roy, Carol Hanscom, Keri Forest and Annalyn Gilchrist gained all-tournament honors. As always the lady Knights had the opportunity to share memories of dramatic new uniforms, continual injuries, fun road trips, and GREAT volleyball.

FIELD HOCKEY

The SMC Field Hockey Team finished its 1995 season with an impressive 13-4-0 record. This enabled them to compete in the ECAC Division II finals. There was a great start to the season with a 2-0 shutout against UVM. St. Michael's has only beaten UVM twice in their history of competition, so the game was clearly a defining moment.

Another game that reflected the SMC spirit was the home win over UMASS at Lowell. This game marked the 100th win for coach Anne Adams!

Juniors Tara Clark and Mandi Galbraith were named to the All-First American Team, while Courtney Cann and Kate Mullany were selected to participate in the North-South, Senior All-Star Game, which was held in North Carolina. Courtney Cann was also named MVP of the SMC team for the 1995 season because of her outstanding skill and determination on the field.

The field hockey team will be losing their three senior captain, Lisa Anderson, Courtney Cann and Kate Mullany and will miss them very much. Next year's captains will be Tara Clarke, Mandi Galbraith and Erica Lowell. This team's love of field hockey and respect for each other were key factors in their success.

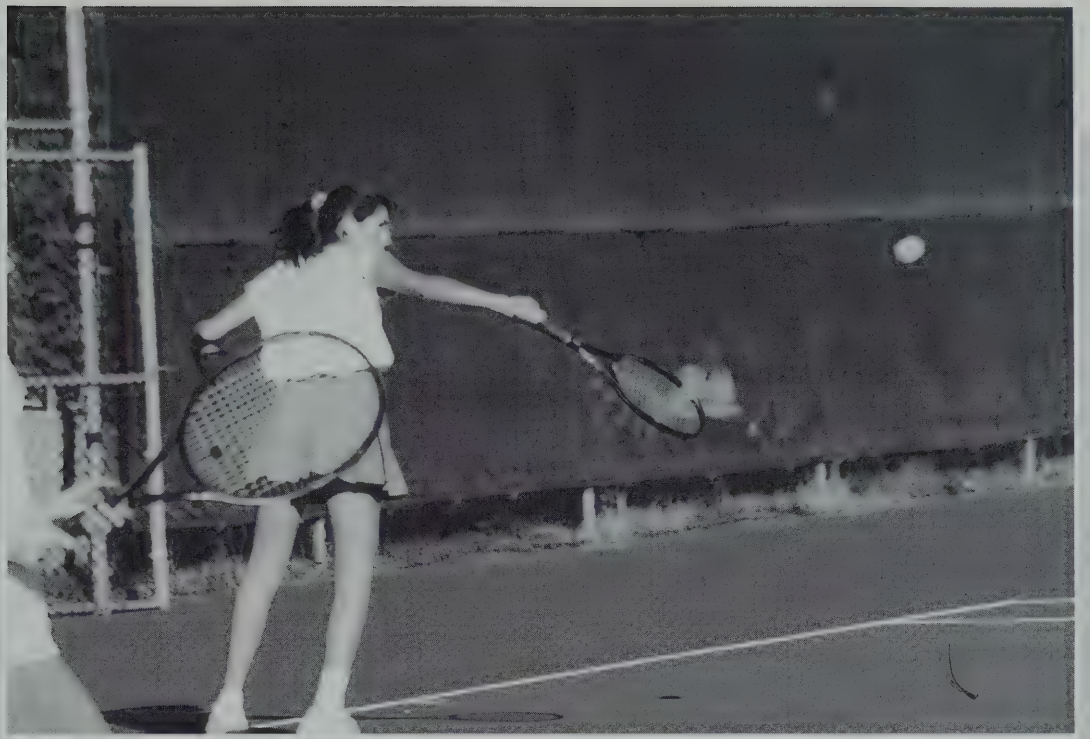

Women's Tennis

For the second season in a row the number one doubles team of Nikki Hill and Katie Colclough finished with a winning record. The senior doubles team of Hill and Colclough finished the 1995 season with a record of 7 wins and only three losses. The highlight of this team's success came during their junior year when they were the first team ever in SMC history to win a NE -10 Doubles Championship. The program will especially miss the leadership of their co-captain and two-year MVP Nikki Hill. Hill managed to finish out her career at SMC by winning nearly sixty percent of all her matches, singles and doubles. This growing team reached new heights in the 1995 season. The lady knights defeated Bentley College 5 - 2 in the third match of the season. This victory was a gratifying one because the ladies had lost to Bentley in a close match the previous season. The ladies finished the season in fourth place, giving them the highest finish ever in the history of the program. The team is young and improving every year under the instruction of coach LaTullipe. The team will be looking to improve on this year's fourth place finish. Their future looks bright but the team will miss the enthusiasm of their two graduating co-captains Hill and Colclough.

MEN'S RUGBY

The men's rugby team overall had an excellent year. Having a small team we relied on fine tuning their skills and maintaining high levels of endurance. Our hard work day in and day out led to our record of 3-2. Though we had 2 loses, we felt like our team should have gone undefeated. Good luck to the graduating seniors: Biscuit Boy, Cal, Ned, Opie, Marty, Carmichael, Frazoli, Fraizer, Lance, Philthy, Jay hard, Sutton, Cain, Jose. All our best to the returning and future players of SMCRFC. "Gentlemen, Here's to #@, !?!, and St. Mike's!"

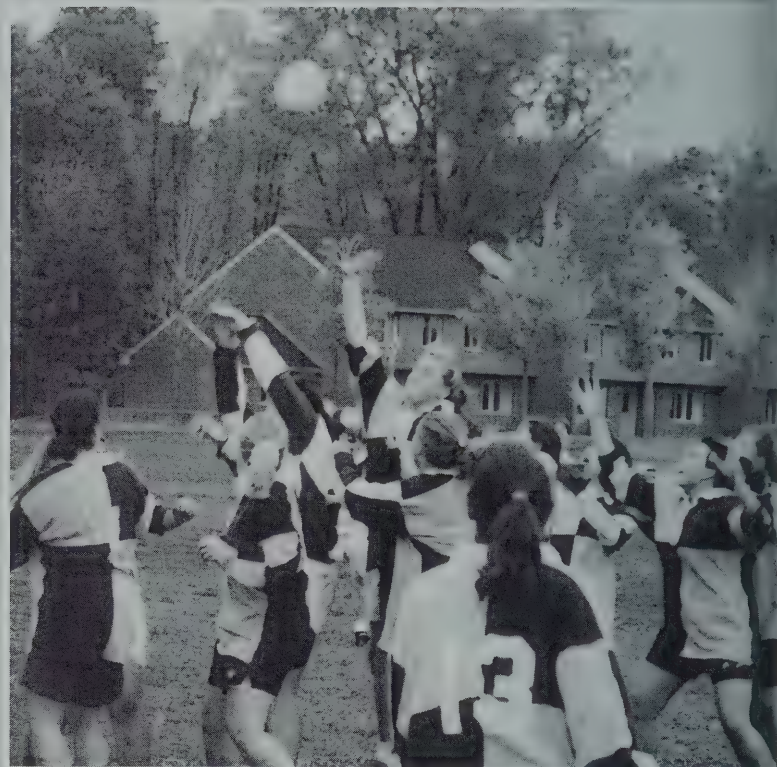

WOMEN'S RUGBY

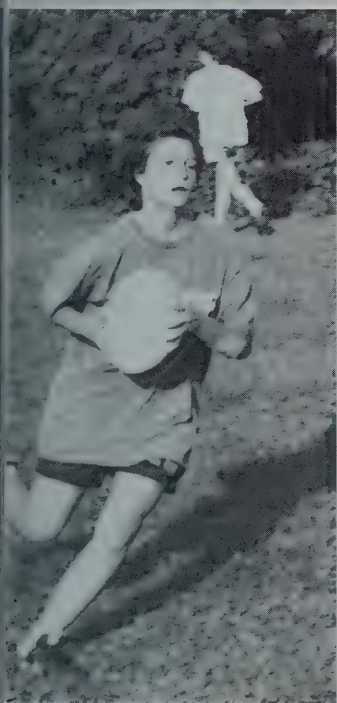

The Women's Rugby Club finished their fall season, with an A team record of 2-3 and a B-team record of 4-1, playing some of the top teams in the Union. Despite many losses, the club had a strong showing. This year's officers included:

- '97 Pam Quinn: President
- '97 Jenni Caiazza: Back Captain
- '96 Meg Conley: Scrum Captain
- '96 Tina Shaw: Social Chair
- '97 Betsy Wolfe: Treasurer
- '96 Keara Dupont: Match Secretary

I would like to wish the best of luck to the club in their '96 fall season and to the graduating seniors: Tina Shaw, Keara Dupont and Meri Fulchino.

GOLF

The 1995 season started slow for this year's Golf Team, but the crew showed steady improvement through the season. Coach Ernie Guilmain admits that the team's season didn't start well but, "they really began to gel as a team by the end of the year." The team was led by captains Michael Cassarino and David Mersch, senior Jeff Caulfield, and sophomore standout Jeremy Goulet. Goulet qualified for the All New England NCAA Division II Team at the New England Intercollegiate Golf Association Tournament in New Seabury, MA.

From left: Colin Mulready, Jeremy Goulet, Jeff Caulfield, Michael Schneider, David Mersch, and Michael Cassarino

SKI TEAM

Springboarded from a strong 1994/1995 winter carnival showing, St. Michael's Division I Alpine Ski Team had high hopes of making a name for themselves in the 1995/1996 season. Coached by Janie LeBarron and training out of Bolton Valley Ski Resort, the men's and women's squads

set out to prove they were contenders in the league. But due to the rainy winter which postponed many carnivals and dampened the spirits of the team, many were just hoping for the end of the season.

However, the season did have a few bright spots with the impressive top 30 finishes of the men's team led by Peter Fleckenstein, Dan Gruner, and Frosh Tom Moore in Giant Slalom, and captain Ryan Diller and sophomore Bob Killmain in Slalom. The women's team had consistently strong showings in both disciplines led by sophomore co-captains Kim Morahan and Kerri Saulnier, and followed up by Stephanie Sheehan and Vanessa Gorczynsa.

Both squads look to return for the

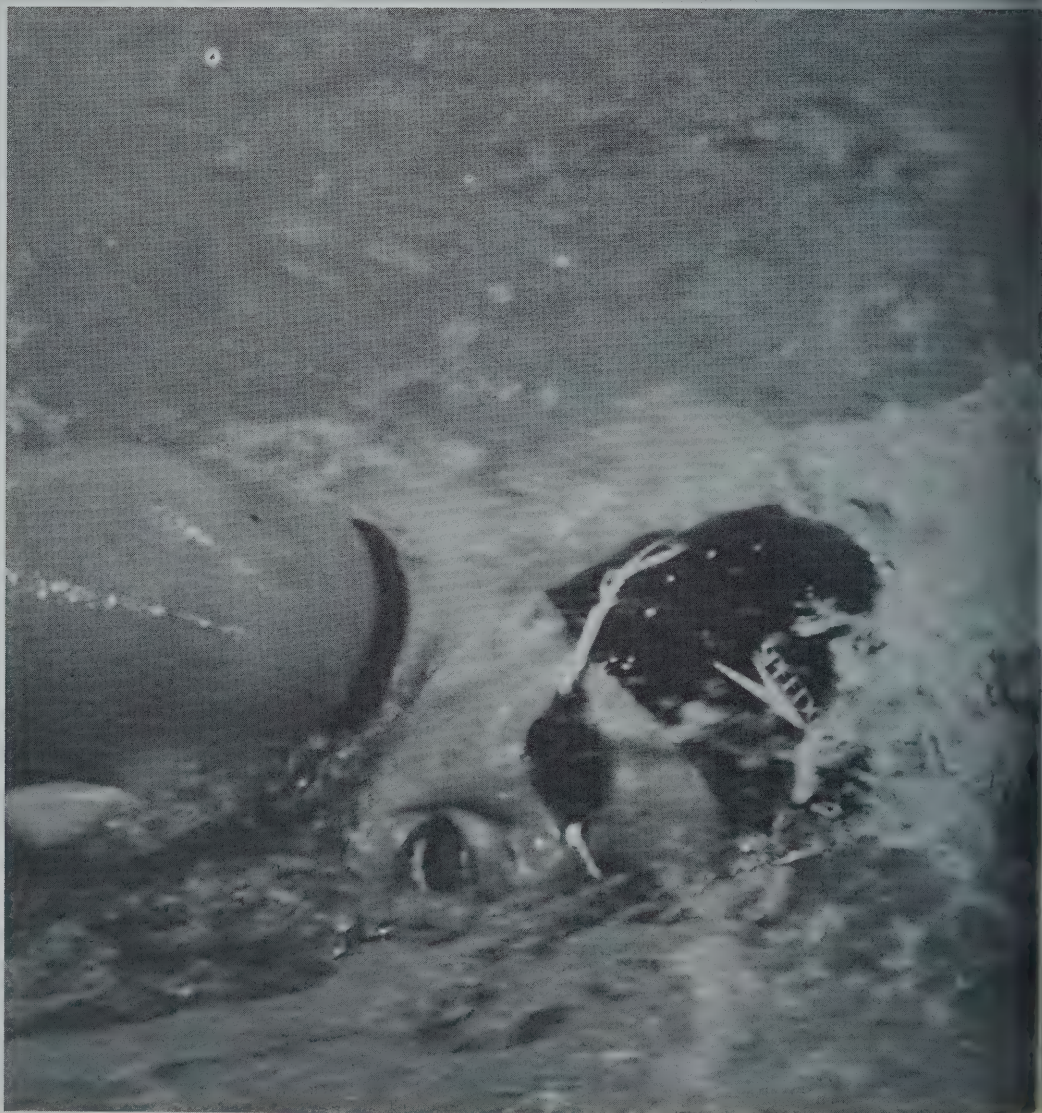

1996-1997 season to once again prove their place amongst the elite in Division I Alpine Ski Racing.

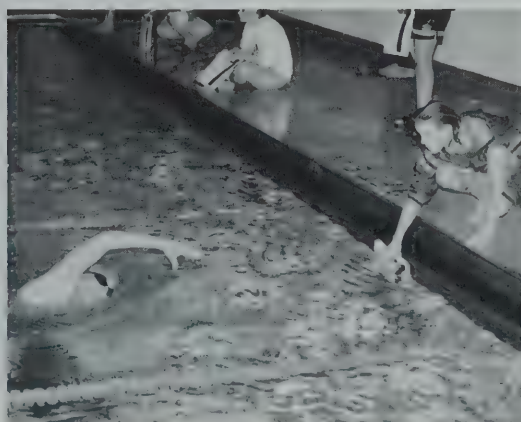

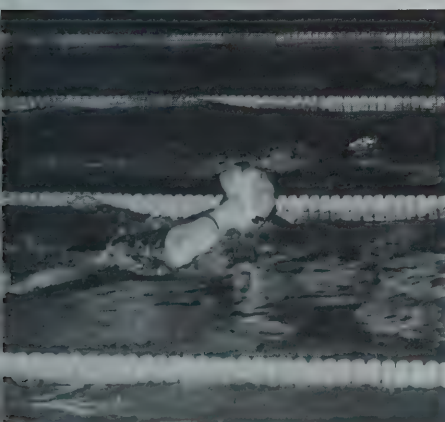

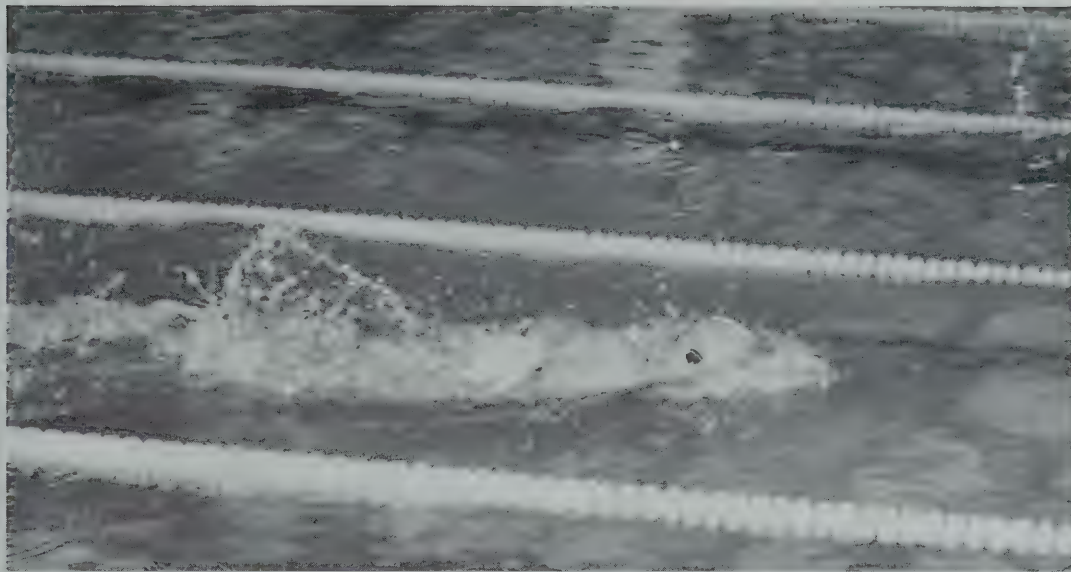

SWIMMING & DIVING

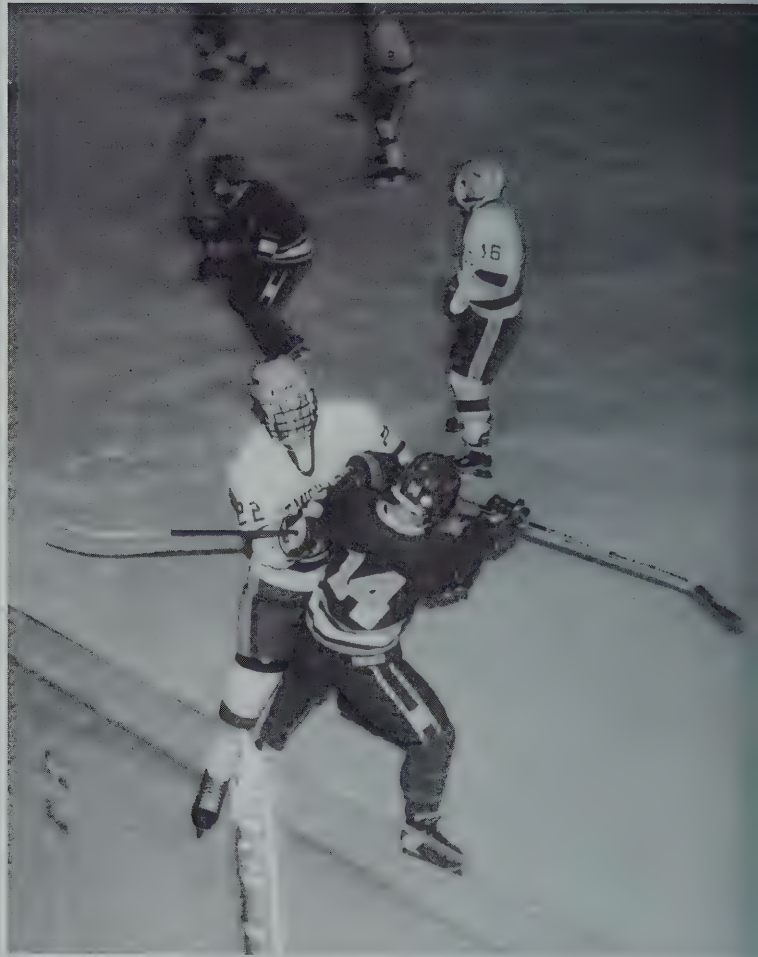

The 1995-96 women's swim team had the best record among all winter sports teams with an impressive 12-2 record, the best team record ever for the swimming Knights. The team's 14-person roster consisted of 1 senior, 5 juniors, 1 sophomore, and 7 freshmen, and was led by co-captains Christi Turnbull and Danielle Nyholm. The Knights were undefeated in New England Division II competition, losing only to perennial powerhouse Plymouth State and nationally ranked Middlebury. Ten Knights went on to qualify for the New England Division II-III Championships, and placed in the middle of the pack among the 32 teams. It was an outstanding season for the women on several levels. Many of them swam personal best times, broke school records, broke pool records, and each swimmer contributed tremendously to a record-breaking season.

Although the 1995-96 men's swimming and diving team was small in size, the four men led by co-captains Sean Crowley and Ron Ommerborn, had tremendous talent. The three juniors and one freshman beat Saint Rose twice for their 2-11 record. At the New England Division II-III Championships, the men swam personal best times in their events. Sean Crowley placed fourth in the 50-yard backstroke, the highest place by a member of the Men's swim team. Overall, the men had strong swims and are awaiting a large freshmen group next year.

HOCKEY

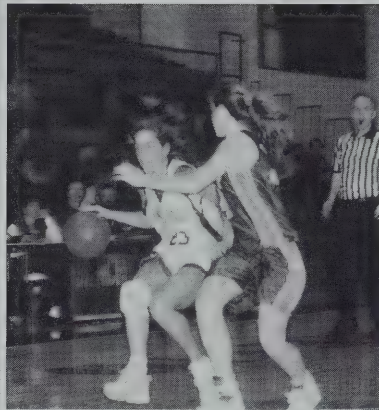

WOMEN'S BASKETBALL

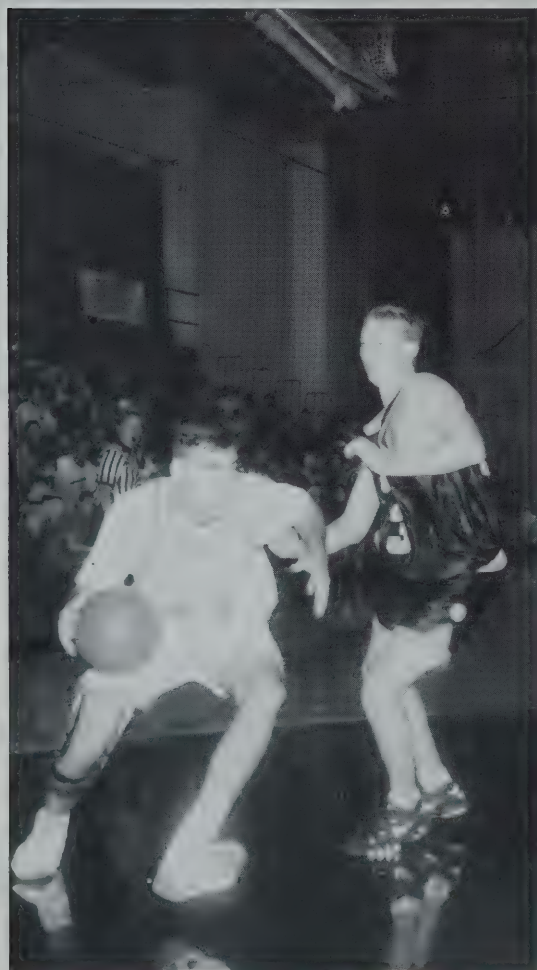

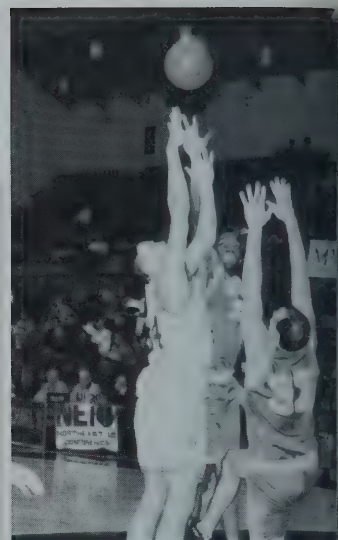

Despite the disappointing record of this year's Lady Knights, the team's morale never ceased. The determination and enthusiasm of the team made me proud to be co-captain. There are many outstanding players on the team and I wish you all the best in the future. I would like to wish my best to co-captain Becky Marsden and to the other seniors, Kristen Joyce, Kelly Mauer and Meghan O'Toole.

Spring Break

Cancun, Jamaica, Europe, Florida, California, Colorado, Las Vegas, or cruising the Caribbean we spent Spring Break '96 having fun and building memories. Jet lag, hangovers, sunburns...it was all fun and the best part of it all was that we did it with the best of friends.

Saint Patrick's Day

March 17, 1996

What time were you downtown? And which bars did you get T-shirts from? Saint Patrick's Day 1996 was a warm spring day filled with *Guinness* buttons, *Bailey's Irish Cream* stickers and *green beer*. East Street, 17 College Parkway and many, many more... the parties never ended and neither did the fun!

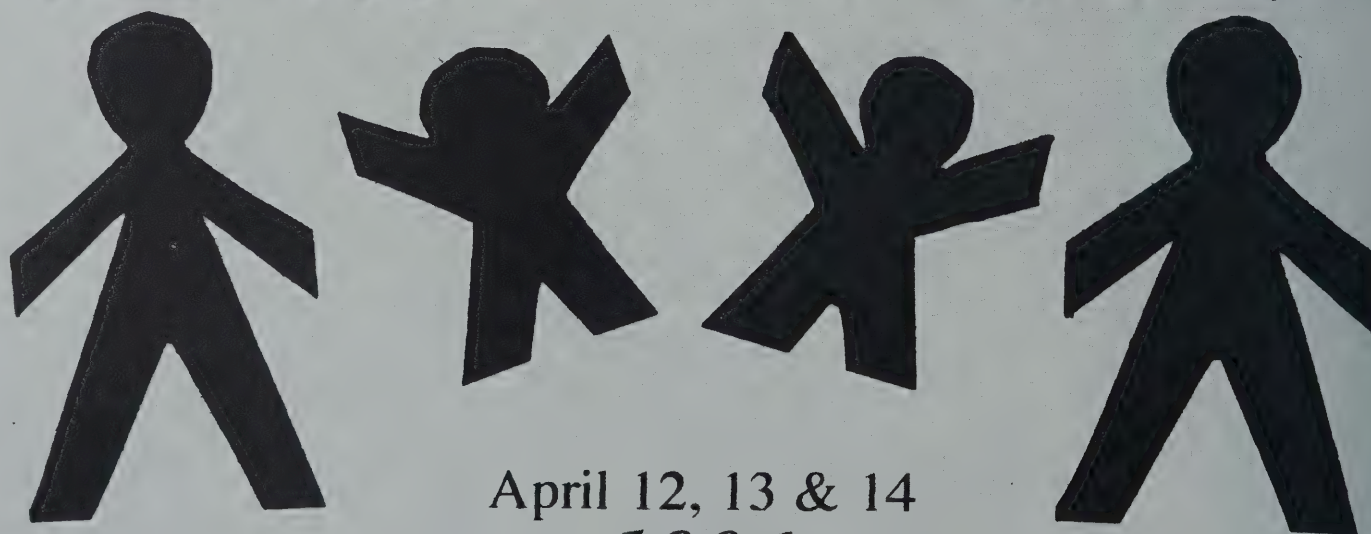

Family Weekend

April 12 - 14, 1996

This weekend allowed our parents to once again feel like they too were in college. Events included some great one act plays, the Family Fun Festival with country line dancing, sports events, the Dessert Cabaret and the Dance at the Ross Sports Center. There were also the traditional trips to the mall with Mom and Dad. We had the chance to see our parents in a different light, and how entertaining it was!

P-DAY 1996

What does the “P” in P-Day stand for anyway?

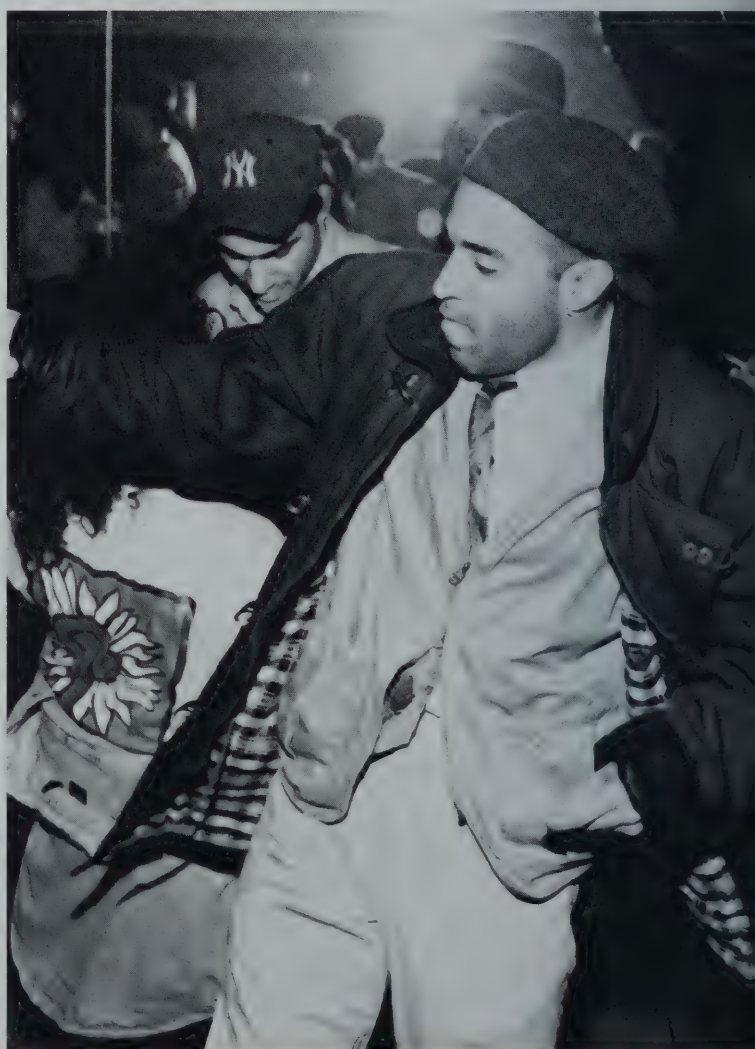

This year's P-Day celebration began on Friday night, April 26th when George Clinton and the Parliament Funkadelics packed the Ross Sports Center and rocked the house for over three hours. Saturday the 27th brought sunshine, carnival rides and FOOD. Who do you know that fell off that crazy surf board and how long did you wait in line for the virtual reality roller coaster? The beer tent didn't seem to be open long enough, but Belizbaha kept us entertained!

Senior Week

For the low price of \$75.00 we enjoyed EVERYTHING from the slide show to the farewell dance. Thanks to our amazing *Senior Week* coordinators, Stephanie Fraone and Heidi Ludewig, we were able to have a great week of unbelievable fun and memories. It all started **MONDAY** May 6, 1996 with the *senior slide show* at Waterworks. Thanks to Joanne Russell this was a great success. We all reminisced as we relived the past four years.

TUESDAY brought the blazing sun and *re-orientation*. Of course the crowd really livened up when the beer tent opened and the clam bake started. We ate and drank until *Irish Happy Hour*, where we all sang and even danced some jigs! To top off Tuesday we then traveled to the *Blarney Stone* for a Karaoke competition where Mike Savage took first prize with "Baby Got Back".

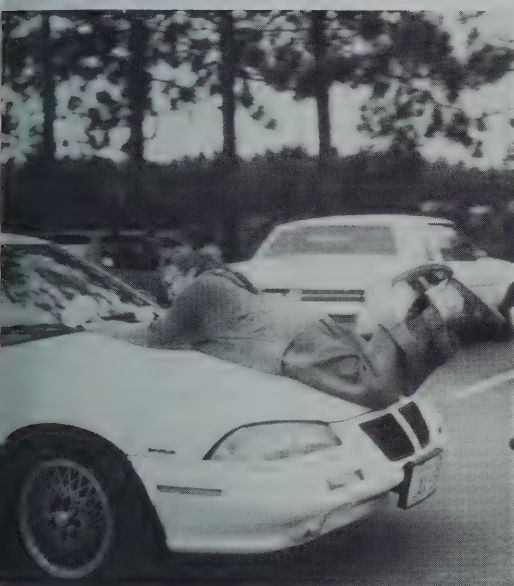

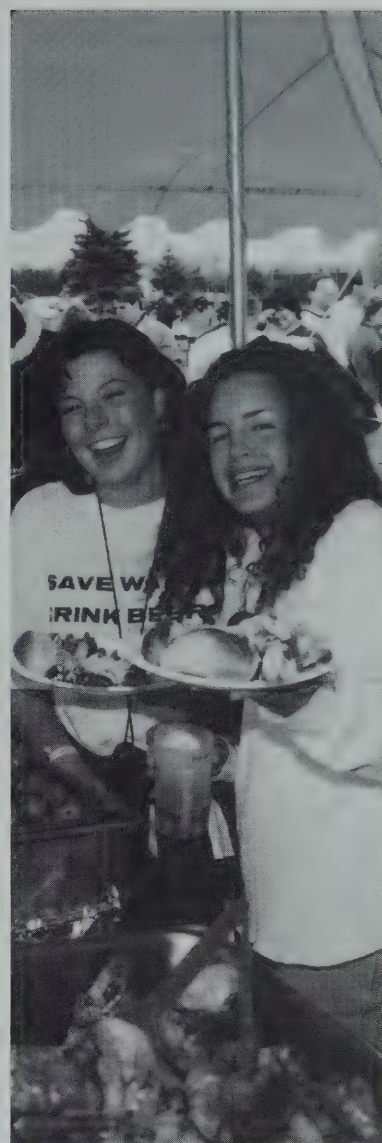

WEDNESDAY was also a beautiful sunny day where some of us got our *caricatures* drawn and we all got a tan. “*Seniored Out*” started around 3:00 with Simo (Mike Simonelli) as our fantastic MC. Dave Antonioli won a date with Joanne Russell and Kerri Pollard won a date with Opie (Brian Flaherty). We laughed at the crazy questions and answers. We enjoyed an Italian dinner before getting ready for the Semi-formal aboard the *Spirit of Ethan Allen*.

SENIOR WEEK '96

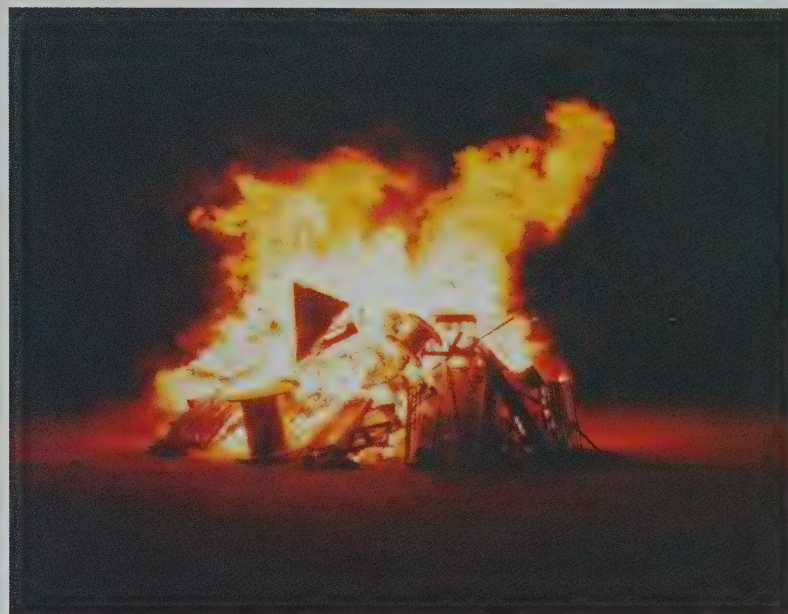

We had the time of our life as we cruised Lake Champlain on this beautifully clear night. Craig Mitchell was our DJ on the three hour cruise. **THURSDAY** was cloudy but the drizzle didn't stop us from having a great time. John Reno played our favorite Jimmy Buffet tunes at the *Luau*, and the *pig roast* was great. We feasted as we enjoyed the music, and **looked forward to the evening.**

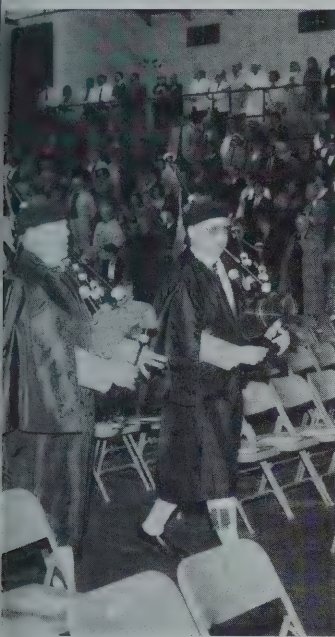

Thursday night we laughed with comedian *Gary Delena* and then cut a rug with the Boston Band *Idiot Box*. The *bonfire* speaks for itself. The class of 1996 surrounded the flames on the 300's field, feeling that the previous week flew by just as fast as the previous four years. That week we experienced many emotions, and we did it together. The palm tree wrist bands and senior week mugs were our only needed accessories as we experienced it all with the people who mattered most to us. Our last week at *Saint Michael's* was one that we will not soon forget.

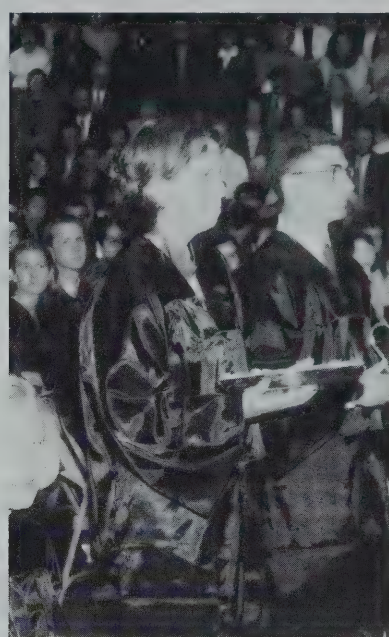

BACCALAUREATE MASS

On May 11, 1996 we celebrated our last mass as Saint Michael's students. Led into the Ross Sports Center by a procession of bagpipes, we were dressed in our caps and gowns. This beautiful ceremony was celebrated by our favorite priests from Campus ministry. President Paul Reiss gave the baccalaureate address and reminded us that we were and always will be a very important part of the Saint Michael's College community.

Saturday evening May 11, after the Baccalaureate Mass, we enjoyed dinner at the Senior Banquet. There were many seniors honored for their involvement with the class and the community, as well as for their academic achievements. Not only were the graduates honored that evening, but the college also paid tribute to retiring President Paul J. Reiss. His accomplishments over his eleven years at Saint Michael's were recognized as were the many accomplishments of the graduates.

Graduation

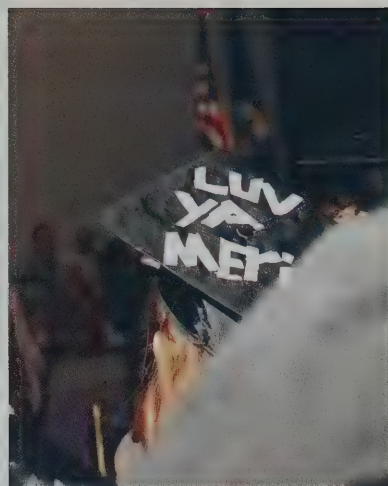

Four years of hard work and fun concluded with the 82nd commencement at Saint Michael's College, on Sunday May 12, 1996. Heidi Ludewig spoke to the class and reminded us once again of how many special friends we have made here at Saint Michael's. There were few dry eyes in the house when her eloquent and hopeful speech was over. There were also four honorary degrees conferred, one was to Dr. Deborah Tannen our graduation speaker. After receiving her honorary degree of Doctor of Humane Letters, Dr. Tannen spoke to

the more than 350 graduates. She talked about choices and the fact that we need not be afraid of the future, but rather excited for the possibilities it holds for us. Her uplifting speech was followed by the conferring of degrees. First to the candidates for Masters degrees and then to the more numerous Bachelors degree candidates...US!!! Followed by a reception in the Tarrant Center, graduation '96 was an emotional day for all of us. It is a day that will not soon be forgotten, especially the SNOW!

To “The Girls”:

*May life always bring you happiness and may you never lose your smile. Congratulations on a job well done. You have **all** made me proud!*

Love - “DOLORES”

Dear **Maryellen,**

You accepted the “challenge” and came through with flying colors - three cheers for you! You are a very special daughter and sister. How proud we are of you and all you have accomplished over the past four years. Your Graduation brings closure to our family tradition at Saint Michael’s, hopefully it will continue some day with grandchildren. Our Congratulations to you for a job well done! We wish you the Best of Luck and happiness in all your future endeavors. God Bless you always.

Love,

*Mom, Dad, Christine ‘89, Joseph ‘91,
Stephen ‘92 and Michael ‘95*

Kerry- Ann

We thank God each day as we watched this little girl grow into a beautiful young woman. Continue to be yourself and success and happiness are sure to follow. You are very special to us and you are always a joy to be around. Congratulations Kerry Ann and best wishes for a wonderful life - you deserve it! We are proud of you and love you very much.

To Alison Biuso:

Alice

She drank from a bottle called DRINK ME
And she grew up so tall
She ate from a plate called TASTE ME
And down she shrank so small.
And so she changed, while other folks
Never tried nothin' at all.

Education is a companion which no misfortune can depress, no crime can destroy, no enemy can alienate, no despotism can enslave. At home a friend, abroad an introduction, in solitude a solace, and in society an ornament. It chastens vice, it guides virtue, it gives, at once, grace and government to genius. Without it, what is man? A splendid slave, a reasoning savage.

Love, Mom and Dad

Jeff,

We have had many dreams for you since the day you were born. The earliest were that you would keep your beautiful hair and learn to burp on your own. *You did.*

We hoped you would grow through childhood being healthy, learning, playing, loving, and being happy. *You did.*

We hoped that someday you would gain enough confidence to step out of others' shadows and show the world the special individual we knew you to be. On a day in June 1992 - *You did.*

We hoped you would choose a good college and finally realize some of your own dreams and goals as you stepped into adulthood. At Saint Michael's - *You did.*

We hoped you would share your special qualities with others - your caring, your kindness, your unselfishness, your wisdom, your friendship, and even your righteous indignation. *You do.*

We hoped that even though each of you would leave to grow in their own directions, we would still be connected and close as a family. *We are.*

We know that you still have many dreams to fulfill and many loves to find, and you're still not sure what direction they will take you. With God's help - *You will.*

We thank God for sharing your life with us and we thank St. Michael's and all your mentors and friends for enriching your life - *We always will.*

We know that you are very special to our family - your love and wisdom have been our "soul" through good times and bad. Your creativity pushes you for perfection - and you're never quite satisfied with yourself or what you accomplish - *We are.*

We love you, Jeff, and always will!

God be with you and the Class of 1996!

STEVEN R. STRZELECKI

**This page is dedicated to
the memory of your
grandpa, Ted Strzelecki.**

Dear Steven,

From a newborn baby, to a college graduate, you've always made me so proud to call you my son. You've tried your best, reached success and now you will reap the rewards. Wishing you a future filled with success, love and happiness.

**Love,
Mom**

Dear Steven,

There are no words that can be expressed to show how proud I am of you. Keep following your dreams.

**Love,

Dear Steve,

Congratulations on your graduation. I'm so proud of you and all of your accomplishments. I wish you the best of luck in the business world; I know you'll be the best stock broker in any company you choose. I'll always be there for you through all your ups and downs. I love you now and forever with all my heart.

**Love always,
Heather**

Dear Steven,

There isn't enough space on this page to describe you. So, Kelly and I came up with one word, "**Outstanding**," just like your college years. Good luck in the future.
